If your profile is not set:

This is how the screen looks, once you are logged in to your account.

If your profile is already set:

This is how the screen looks once you log in.

To set the profile:

- Add the name of the person whose mobile number is registered with the school
- Add ONLY the registered mobile number
- Click "save"

Note: Please upload ONLY the image of the person whose mobile number is registered with the school

Click on the 3 lines icon to open the **main menu**.

The **main menu** looks like this.

To add a person you are authorizing for your child's pickup, click on **Relation.**

Now click on the+ sign at bottom right.

Note: You can add any number of people you wish to authorize for your child's pickup

Now, you can add the details of the **person** you are authorizing for your child's pickup by uploading their details:

- A photo
- ID proof
- Name of the person
- Mobile number
- Relation to the child

.⊪ ← A	dd Relation		10:2
	hoto	ID Proof	0
Name	get from co Enter Name	NTACTS	_
Mobile	Enter Mobile	e Number	
	Re-Enter Mc	bile Number	
Relation	Enter Relatio	on	

Once the details are added:

Click on the "tick" on the top right corner to save the details.

Note: Please **do not** add your registered mobile number here.

	9865******		17.71
		<	8

Once the details are added:

- All the people you have authorized appear under the **Relation** tab.
- To **edit** a relation, click on the image.

You can edit or delete any relation here

Additional Points

Authorization Card

Your profile also serves as an "authorization card."

The teacher can scan the QR code on your mobile to get your details.

Additional Points

Notifications

You will receive app notifications on who picks up the child.
